COVID-19 Test Options

Many health insurance plans cover COVID-19 tests without a copay, coinsurance, or deductible for persons with symptoms of COVID-19. Locations throughout the state offer COVID-19 tests, including hospitals, pharmacies, primary care offices, urgent care centers.

Tests for active COVID-19 disease are available in locations across New Hampshire and include both the polymerase chain reaction (PCR) test and the rapid antigen test.

Persons who do not have insurance or have a health insurance plan that does not fully cover the cost of COVID-19 testing, vaccine administration, and treatment may also have these services paid for by the New Hampshire Medicaid COVID-19 Group. To apply online for the Medicaid COVID-19 group, please visit NH EASY at https://nheasy.nh.gov and click on "COVID-19 Group". Additional information about other DHHS programs and benefits, including different Medicaid plans that cover more than COVID-19 services, are on the NH EASY website.

Please call or visit the website of the individual providers below to make an appointment or see walk-in hours for a COVID-19 tests or to order an at-home test. Over-the-counter at-home COVID-19 rapid antigen tests are also available for purchase at many pharmacies and the New Hampshire Liquor & Wine Outlets.
